

AGA/ASMC GOVERNMENT TECHNOLOGY CONFERENCE

AUGUST 25 – 26, 2008
HILTON HAWAIIAN VILLAGE
HONOLULU, HAWAII

The Hawaii chapters of the Association of Government Accountants and the American Society of Military Comptrollers are proud to jointly sponsor the Government Technology Conference to be held in Waikiki at the Hilton Hawaiian Village, Coral Ballrooms.

This two-day program will discuss and explore how innovative technologies can improve public service and provide updates on current government policy issues relating to technology. This program provides opportunities to network with key government executives and industry experts.

Program Topics

- Top 10 Technology Trends
- Tools and Tricks on Using Microsoft Products
- Identity Theft
- Technology's Role in Shaping the Future of Financial Management
- Emerging Wireless Computing
- Digital Content Management
- Defense Travel Systems
- Challenges of Implementing New Technologies
- Progress of DoD's Business Transformation
- Success Stories in Implementing Financial Systems
- XBRL
- Knowledge Management
- Data Mining Tools
- Geospatial Data Systems
